Review of a provisional translation of a Tablet of 'Abdu'l-Bahá

In her email letter of 26 October 2021, Miss Violetta Zein submits for approval a provisional English translation of a Tablet of 'Abdu'l-Bahá. The Research Department offers the following response.

We find the provisional translation to be an acceptable rendering of the Tablet of 'Abdu'l-Bahá. However, "غور نمودند" would be more correctly translated as "delved into" or "entered". Also, it may be closer to the original to render "تزلزل" as "wavering" or "being shaken", and to render "راه تو پوئیم" as "follow Thy path". This translation should be clearly identified as provisional when it is published.
